Dear Llyr,

I have published, today, the Welsh Government's Tax Policy Work Plan for 2020-21. The publication of the work plan was delayed from March due to resources being redeployed to our immediate response to managing the coronavirus pandemic.

The plan sets out the main themes and aspects of tax policy which will form the plan of work through to the end of the current Senedd Cymru.

In previous years, I published a progress report towards the end of the calendar year, alongside the Welsh Government's draft Budget. As this work plan extends beyond the end of this year, I intend to publish a progress report closer to the end of term next year.

Yours sincerely,
