**SCME33 Ymateb gan: | Response from: Karen Nixon**

To whom it may concern

As is my right as a resident of Wales, I am not in favour of this proposal to increase MPs, and will actively seek to dismiss the course of action.

The current government seems to completely ignore the voice of the people of Wales. During a cost of living crisis, under funding in the NHS, unprecedented hospital delays, social care in tatters, this is a complete and quite disgraceful waste of public funds.

I am acting as an individual, the evidence is in the public domain and therefore can be validated by the Welsh governments own data and that of the NAO and NHS waiting times on Wales.

I am content that my name is shown, I can confirm I am over 18 years old.

Again I am opposed to this proposal.

Kind regards

Karen Nixon
