**SCME108 Ymateb gan: | Response from: Marta Jacyna**

---

As a resident of Wales I oppose the proposed changes. A country this size does not need so many members of the parliament. New Zealand, a country much bigger than Wales and with larger population, has 120 - and that's an independent country.

Wales has many more pressing issues to address, which will need considerable funding. We don't need more politicians, we just need the existing numbers to do their jobs much better and stop wasting time and fundings needlessly.

Kind regards,

Marta Jacyna
