SCME399 Ymateb gan: | Response from: Joanne Williams

I am writing to you to share my views on the proposed bill to instate 36 new Labour MS's into the Senedd. I am strongly against this act and would like to know via a reply why this is needed? The cost to the tax payer will be huge, not just for salaries to these new MS's but to the cost of an extension to the Senedd that will be needed to accommodate this vast increase in members. It is an outrage, and money would be better spent elsewhere, like training new paramedics, people who actually make a difference and give to the people of Wales rather than taking away. Something that the Welsh Labour government seem to be doing a lot of lately. Wales is being ripped to pieces by Labour and Mark Drakeford's tyranny. I stand for Wales and vehemently object to the proposal of 36 new AM's because they are not needed. I will eagerly await your reply and I would like it sent in English.

Kind regards
Joanne Williams
