Dear Llyr,

### **Environment (Principles, Governance and Biodiversity Targets) (Wales) Bill**

Thank you for the Climate Change, Environment and Infrastructure Committee's Report, published on 24 October, regarding the Environment (Principles, Governance and Biodiversity Targets) (Wales) Bill as part of Stage 1 scrutiny.

I am grateful for the recommendations raised in the report and I will outline the Government response to these during the Stage 1 general principles debate.

In order to give a fully considered response to the helpful set of recommendations within the report I will need some additional time to respond.

I intend to respond to the full set of recommendations as closely as possible after the general principles debate, if the Bill successfully progresses.

Yours sincerely,

**Huw Irranca-Davies AS/MS**
