

P - 04 - 493 Moratorium on Local Development Plans (LDPs) in potential City Regions

Petition wording:

We call upon the National Assembly for Wales to urge the Welsh Government to bring about a moratorium on LDPs in those areas that have been recommended to be part of two new city regions. Save our Capital Cardiff believes it would be unwise for councils in those areas to make significant plans for future housing and infrastructure, which include irreversible damage to greenfield sites, before a decision is taken on the city region approach.
