

P-04-527 Campaign for a Special Cancer Drug Fund in Wales

Petition wording:

Beth Margetson is one of our town's residents whose life has been overshadowed by a dreadful disease we know as cancer and it will affect nearly 1 in 3 of us at some point during our lives. Many will survive yet others in advanced stages of this disease like Beth are unable to gain access to the latest treatments that have not been approved by NICE although a pathway exists in England & Scotland to obtain treatment via a Cancer drug fund. Here in Wales no such fund exists yet each year over 74 million free prescriptions are issued in Wales at a cost of over £550 million to the NHS in Wales. We therefore request that the Welsh Assembly Government introduce a nominal charge (e.g. £1.00) for prescriptions in order that a special Cancer Drug fund be set up in Wales with the proceeds so that people like Beth and many hundreds of others like her at least have a chance that is being denied to them thus far unlike people in England or Scotland.
