

P-04-563 the Provision of Services at Pontypridd Fire Station

Petition wording:

PLEASE HELP SAVE OUR FIRE ENGINE! Due to public sector cut backs and a recent review carried out by the South Wales Fire and Rescue Service, we are faced with the prospect of only having one fire engine for the whole of the Pontypridd area.

The proposal is to get rid of a fire engine and the team that serve the growing population of Pontypridd

Petition raised by: Ben Croxall

Date Petition first considered by Committee: 17 June 2014

Number of signatures : Over 9000
