

P-04-688 TATA Steel Port Talbot Power Plant

This petition was submitted by Peter Bamsey, having collected 531 signatures.

Text of the Petition

We the undersigned call upon the Welsh Government to use all levers at its disposal, including financial levers, to support the completion of a new power plant planned for Port Talbot steels works. The construction of this plant will create jobs and when it is operational it will reduce emissions, reduce Tata's running costs and help to safeguard vital jobs in the area.
