6 February 2018

Dear David

Thank you for your letter of 25 January enclosing further comments from the residents of Llangenny Village following my response of 28 November regarding the provision of high speed broadband services to the village.

The latest information we have from BT in relation to the roll-out of superfast broadband to the village is that although it is now complete a period of up to eight weeks remains before an order can be placed with an internet service provider. This is while a commissioning process takes place.

I appreciate that this news will continue to raise frustrations but hope that the confirmation of availability within the next two months will bring some relief.

Yours sincerely

Julie James AC/AM
